Contra Costa Health Services - Children's Oral Health Program (925) 313-6280 Program Manager: Lorena Martinez-Ochoa, lmartine@hsd.cccounty.us	The Contra Costa Health Services' Children's Oral Health Program is a public health program serving Contra Costa children and youth in schools and in the community. The program works closely with public schools that have 75% or above of the student body enrolled in the Free and Reduced Lunch Program, and are in a "priority" zip code as identified in the Maternal, Child, and Adolescent Health Assessment. Services offered at these schools consist of evidence-based preventive oral health, including: oral health instruction, a visual assessment, sealant exams and sealants for 3rd -6th grades, fluoride varnish application post placement of sealants, and referrals to low cost dental services in Contra Costa County. Children identified as having urgent dental needs, are assisted in finding a dentist and/or applying for health

<p>Santa Barbara County Public Health Department CHDP Program 1111 Chapala Street Suite 200 Santa Barbara, CA 93101 sbcphd.org <i>(805) 681-5360</i></p>	<p>The Child Health and Disability Prevention (CHDP) Program provides free health exams for children and youth. The CHDP staff at the county assists children with getting appointments to have a free medical assessment. The staff also assists with referrals to dentists and other specialties that the CHDP physical deems necessary.</p> <p>All Medi-Cal recipients from birth to age 21 are eligible for CHDP scheduled periodic health assessments and services. CHDP provides a schedule of periodic health services to non-Medi-Cal children and youth from birth to age 19 years whose family income is equal to or less than 200% of the federal income guidelines.</p>
<p>Santa Barbara-Ventura County Dental Society sbvcds.org <i>(805) 656-3166</i></p> <p>SBVC Foundation Program Coordinator: Jessica Chavez-Rios <i>(805) 643-3762</i> coordinator@pacbell.net</p>	<p>Call or go the the web for dental referrals. The Santa Barbara-Ventura County (SBVC) Foundation is a part of the SBVC Society, and provides several community programs.</p> <p>Adopt-A-School: Children in 2nd and 5th grades are screened by volunteer dentists at elementary schools in Santa Barbara and Ventura Counties. Children with emergency treatment needs are referred to a local contracted family Resource for case management and enrollment in medical/dental insurance, assisted in accessing dental treatment, including treatment dollars for uninsured children. Families who access treatment dollars participate in a home-based oral health educational program and receive dental supplies. In addition, four regional free dental clinics are funded to furnish dental exams and treatment for uninsured children, ages 6-18 years old.</p>

<p>Smile In Style - Children's Dental Disease Prevention Program (707) 784-8634 Manager: Robin Cox rccox@solanocounty.com</p>	<p>Smile In Style (SIS), is Solano County's children's dental disease prevention program. SIS works to assure, promote, and protect the oral health of Solano's K-6th school children by increasing their awareness, knowledge and self responsibility to develop positive, life-long oral health behaviors. The curriculum includes plaque control activities as well as lessons on nutrition, obesity prevention, tobacco prevention, and overall wellness. SIS prioritizes for services those schools with 50% or more students eligible for the Free or Reduced School Lunch program, and schools in non-fluoridated communities. In addition, SIS provides Solano Child Start, Inc (Headstart) preschools with a fluoride varnish and screening program. Components of SIS include: oral health education taught toward California State Standards, sealant clinics, fluoride</p>
