

THE MOST IMPORTANT THING VOTERS SHOULD KNOW ABOUT PROP 1D IS THAT IT WILL TAKE \$1.6 BILLION AWAY FROM CRITICAL LOCAL HEALTH AND EDUCATION PROGRAMS FOR YOUNG CHILDREN AND GIVE IT TO SACRAMENTO POLITICIANS.

Prop 1D was placed on the ballot by Sacramento politicians to take local funding from children's health and education programs in every community. These funds were approved by voters in two previous elections.

Don't be fooled by the deceptive ballot description written by Sacramento politicians. Prop 1D seizes money from local medical, health, and education experts and puts it in the hands of Sacramento politicians and bureaucrats.

In 1998 Californians voted to dedicate tobacco taxes to specific local health and education programs for children. Voters acted because Sacramento politicians were unwilling to fund these critical programs. In 2000, the tobacco companies tried to take this funding away and were soundly defeated at the ballot box. Today Sacramento politicians are trying to take these funds away. California voters said no to big tobacco. Now we must say no to Sacramento bureaucrats by voting no on Prop 1D.

Prop 1D will eliminate:

- Healthcare, immunization, and booster shots for 120,000 California children
- Preschool and education services for more than 200,000 children
- Smoking prevention aimed at 550,000 pregnant women and parents of young children
- \$36 million every year for children's hospitals, school nurses, and smoking prevention

Proposition 1D will make California's budget problem worse by giving more money to the Sacramento bureaucrats. Independent studies show that every dollar invested in young children yields a seven dollar return in savings on courts, prisons, remedial education, and foster care. Proposition 1D is the kind of short-term Sacramento gimmick that created our state budget crisis in the first place.

Proposition 1D was placed on the ballot by Sacramento politicians who want you to trust them instead of the leading pediatricians, parents, teachers, nurses, and law enforcement officials who urge you to join them in voting no on Prop 1D.

California

Sacramento voters said no to the tobacco companies. Now it's time to say no to Sacramento politicians and bureaucrats. Stand up for California's children and families and vote no on Prop 1D.
