Masters

IN **GOVERNANCE** PROGRAM

UNLOCKING THE TOOLS
FOR SUCCESSFUL GOVERNANCE

FALL 2009

CSBA's Governance Institute knows what it takes to serve as an effective governance team. Through its highly regarded Masters in Governance program, board members and superintendents gain the knowledge and skills to support an effective governance structure to successfully govern today's public schools.

Actively participate and learn from leaders in the field in an educational opportunity that defines the roles and responsibilities of school boards and provides governance teams with the tools to keep all efforts focused on student learning and achievement. For more information about the Masters in Governance Program and its faculty, please visit www.csba.org.
