**Status:** 8/7/2018-Read second time. Ordered to third reading.

**Summary:** This bill would update cross-references to the federal Elementary and Secondary Education Act as amended by the federal Every Student Succeeds Act and make various conforming changes, including to provisions relating to foster youth and provisions relating to parent and family engagement programs. By adding requirements on school districts and county offices of education in regards to written parent and family engagement programs, and to the extent other changes are in addition to what is required by federal law, the bill would impose a state-mandated local program. **Summary:** The Physical Therapy Practice Act authorizes a patient to access physical therapy treatment directly from a licensed physical therapist if the treatment is within the scope of practice of physical therapists and prescribed conditions are met, including a treatment limit prohibiting the physical therapist from continuing treatment beyond 45 calendar days or 12 visits, whichever occurs first, without receiving specified doctor approval of the physical therapist’s plan of care. Summary: Current law requires the Commission on Teacher Credentialing to conduct an evaluation of the Teacher Residency Grant Program and the Local Solutions Grant Program to determine the effectiveness of these programs in recruiting, developing support systems for, and retaining special education and bilingual education teachers and teachers in the STEM subjects.
