### Release from Liability to ACSA & CSBA

The novel coronavirus, COVID-19, is a worldwide pandemic that is extremely contagious and can cause serious illness and death. Though we are taking appropriate health and safety measures and precautions, ACSA & CSBA cannot guarantee that you will not be exposed to, contract or spread COVID-19 while attending an ACSA & CSBA event or activity. Please note that any in-person interaction at the ACSA & CSBA Coast2Coast event may increase your risk of contracting or spreading COVID-19.

I wish to attend the in-person meeting of ACSA & CSBA's 2023 Coast2Coast event, so I agree to the following:

- I understand that my attendance and participation in the above event could pose a risk of exposure to COVID-19 or other contagious or infectious disease to me.
- I freely assume any risk of harm or injury to me that my attendance or participation in the event may cause, and I release ACSA & CSBA from all liabilities, costs and damages that I may incur thereby.
- I understand that by this release and waiver, I give up my right to bring any claims, including for personal injuries, death, disease, property losses or any other loss, that may be released and waived under applicable law.
- I understand that this release and waiver prevents me from seeking damages in any way against ACSA & CSBA, whether such damages are known or unknown, foreseen or unforeseen, or occur now or in the future.
