Summary: Would add to the list of reasons justifying denial of a charter petition by the governing board of a school district, a county board of education, or the state board, among other things, that the charter school is unlikely to meet its financial obligations, maintain a positive fund balance, and maintain a prudent level of reserves for the duration of the charter agreement, and that the governing board of a school district, county board of education, or state board determines, based on justification, that approving the charter school would not be in the best interests of the pupils of the community.
