**Summary:** Current law authorizes school districts to impose qualified special taxes, subject to specified constitutional and statutory provisions. Current law defines “qualified special taxes” as taxes that apply uniformly to all taxpayers or all real property within a school district and may include taxes that provide for an exemption from those taxes for persons who are 65 years of age or older, for persons receiving Supplemental Security Income for a disability, or for persons receiving Social Security Disability Insurance benefits, as specified. This bill would provide that a qualified special tax imposed by the Davis Joint Unified School District in accordance with the above-described authorization may also provide an exemption for teachers and other employees of the school district.

**Summary:** The California Public Records Act makes specified records exempt from disclosure and provides that disclosure by a state or local agency of a public record that is otherwise exempt constitutes a waiver of the exemptions. The act, when it appears to a superior court that certain public records are being improperly withheld from a member of the public, requires the court to order the officer or person charged with withholding the records to disclose the public record or show cause why he or she should not do so. The act requires the court to award court costs and reasonable attorney's fees to the plaintiff if the plaintiff prevails in litigation filed pursuant to these provisions, and requires the court to award court costs and reasonable attorney's fees to the public agency if the court finds that the plaintiff's case is clearly frivolous. This bill would replace "plaintiff" with "requester" in that provision provision, would make conforming changes, and would specify that these provisions do not preclude the award of fees and costs pursuant to other provisions of law.

**Summary:** Current law authorizes, among others, the superintendent of a school district, a county superintendent of schools, and the chief executive officer of a charter school to issue a work permit to a minor, subject to specified requirements and conditions.
