Board Policy

Emergencies And Disaster Preparedness Plan

BP 3516

Business and Noninstructional Operations

***Note: 5 CCR 560 mandates the Board to adopt policy for use by district schools in formulating individual civil defense and disaster preparedness plans. ***

The Governing Board recognizes that all district staff and students must be prepared to respond quickly and responsibly to emergencies, disasters, and threats of disaster.

***Note: Education Code 32282 requires that emergency procedures be incorporated into the comprehensive school safety plan, including earthquake emergency procedures (see AR 3516.3 - Earthquake Emergency Procedure System and AR 0450 - Comprehensive Safety Plan). ***

The Superintendent or designee shall develop and maintain a disaster preparedness plan which details provisions for handling emergencies and disasters and which shall be included in the district's comprehensive school safety plan. (Education Code 32282)

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3516.3 - Earthquake Emergency Procedure System)

The Superintendent or designee shall also develop and maintain emergency plans for each school site.

Note: The U.S. Department of Education has published Practical Information on Crisis Planning, which is available on its web site, to provide guidance for schools in developing crisis plans. This document recommends that districts work with city and county emergency planners to help integrate resources and that school staff participate in local emergency planning so that the district perspective is addressed by the local government. In addition, as part of the Pandemic Influenza Planning Checklist, the U.S. Department of Health and Human Services and the Centers for Disease Control and Prevention recommend that local public health administrators be involved in the district's planning process.

In developing the district and school emergency plans, the Superintendent or designee shall collaborate with city and county emergency responders, including local public health administrators.

***Note: Government Code 8607 and 19 CCR 2400-2450 created the Standardized Emergency Management System (SEMS). While SEMS must still be used to coordinate emergency operations, by 2006, pursuant to an Executive Order signed by the Governor, each local agency must integrate the National Incident Management System (NIMS) with the SEMS. Districts

should work with their local emergency management agency to assist with this integration.***

***Note: In order to be eligible for reimbursement of response-related personnel costs due to a Governor-proclaimed disaster, each district must follow the SEMS Guidelines to coordinate multiple-jurisdiction or multiple-agency operations. The guidelines urge districts to formally adopt policy language giving clear direction to staff to meet SEMS requirements. Districts may contact their California Emergency Management Agency regional office for more information.

The Superintendent or designee shall use state-approved Standardized Emergency Management System guidelines and the National Incident Command System when updating district and site-level emergency and disaster preparedness plans.

***Note: Education Code 32282 requires that emergency procedures be incorporated into the comprehensive school safety plan, including a procedure to allow the use of school facilities for mass care and welfare shelters during disasters or other emergencies. See AR 0450 - Comprehensive Safety Plan. ***

The Board shall grant the use of school buildings, grounds, and equipment to public agencies, including the American Red Cross, for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The Board shall cooperate with such agencies in furnishing and maintaining whatever services they deem necessary to meet the community's needs. (Education Code 32282)

(cf. 1330 - Use of School Facilities)

School employees are considered disaster service workers and are subject to disaster service activities assigned to them. (Government Code 3100)

(cf. 4112.3/4212.3/4312.3 - Oath or Affirmation)

(cf. 4119.3/4219.3/4319.3 - Duties of Personnel)
